“Les locaux sont placés proche de la Défense et des transports en commun, c'est un beau cadre de travail, nous avons également beaucoup d'avantages au sein de l'entreprise mais également des installations à disposition (salle de sport, plusieurs choix de restauration...). Les personnes que j'ai pu rencontrer ont toutes été très accueillantes, à l'écoute et volontaires pour répondre à mes questions et faire de mon expérience au sein de l'entreprise une expérience très positive et formatrice.”
